

Not Business as Usual: Techniques for Resolving Life Science Disputes

The complexities and risks in life science disputes call for unique and flexible approaches to prevention and resolution.

On **December 9, 2020**, the Silicon Valley Arbitration and Mediation Center (SVAMC) will present a webinar that will provide an opportunity to take a fresh look at the menu of dispute resolution processes and tools. A panel of neutrals experienced in resolving life science disputes will discuss how these resources can be used creatively to get companies back to business quickly.

Date & Time:

December 9, 2020
12:00pm – 1:30pm PDT
(3:00pm – 4:30pm EDT)
