

SAVE THE DATE!

The Silicon Valley Arbitration and Mediation Center (SVAMC),

With the support of the

**Association Française de Droit de l'Informatique et de la
Télécommunication (AFDIT)**

invite you to a PARIS ARBITRATION WEEK Forum on Thursday, April 2,
2020, at 10 am:

"Experts in Technology Arbitration—Best Common Law and Civil Law Practices!"

The panel will examine how arbitral tribunals can get the technical expertise they need to properly adjudicate a dispute, whether by relying on party experts, or by appointing tribunal experts directly. We will explore the pros and cons of various methods proposed by arbitration institutions to get expert testimony before tribunals, as well as the very different approaches common law and civil law arbitrators and counsel bring to the use of technical experts.

The panel will take place at:

**KAB Avocats
242 bis Boulevard Saint Germain
75007 Paris**

This program is complementary and open to all.

Detailed program information and registration to follow.
